YOUNG BOHEMIA FESTIVAL IN PRAGA, CZECH REPUBLIC

From 21th to 24th March 2019

INTRODUCTION

The young 2019 bohemia prague festival will be already the seventeenth edition in the line of young bohemia festivals (former young prague festivals).

The event was established in 2003 and it soon became known worldwide as the most popular venue for young people aged 12-26 having an active interest in music and choir singing.

Once again, the Organizers, as in previous years, expect to welcome up to a thousand young people from all over the world in 2019.

The friendly, cultural ambience of Prague as a venue is unique. Participants will have a chance to show their talent and skill, meet new friends and at the same time to enjoy the beauty of probably the most attractive city in Central Europe.

FESTIVAL CONCEPT

The festival consists of two parts: A - public presentations; B - competition. Participating ensembles decide their participation format. Participants shall be young orchestras and choirs in both categories.
