PRAGUE GUIDED TOUR

- **Prague Castle**

Monumental Prague Castle has always been a symbol of Czech Lands. With an area of almost 70,000 square meters, this extensive complex is said to be the largest castle complex in the world! Explore the beauty of its numerous palaces, churches and gardens, breathtaking views of the city and picturesque nooks.

- **Lesser Town and Charles Bridge**

The noble and romantic Lesser Town will enthrall you! Many aristocrats built their precious palaces directly under the majestic Prague Castle, for both status and protection. One of the most famous ones was owned by the controversial figure Albrecht of Wallenstein, whose palace currently serves as a seat of the Czech Senate.

- **Prague Old Town**

Let yourself be enchanted by the magic of living Old Town, an attractive mixture of varying architectural styles and cultures. In the heart of the Old Town lies Old Town Square, featuring the spectacular, six hundred years old astronomical clock. Every full hour the apostles pass, the bell rings and the golden cock crows.
