FESTIVAL WE ARE SINGING CRACOW IN CRACOW

From 7th to 11th May 2020 , 2 Nights/3 Days or 3 Nights/4 Days

FAST FACTS ABOUT THE FESTIVAL

NON-COMPETITIVE FESTIVAL FOR ALL KINDS OF CHOIRS WITH MANY CONCERTS AND COMMON SINGING

Come to Cracow in the Springtime of 2020 to participate in choral festival that will be as meaningful as it is memorable. Cracow is one of the best festival cities in Central Europe, from theater, art, literature, music dance and food, it provides its citizens and visitors with unique cultural experiences and spectacular entertainment. Though not the capital, Cracow is the cultural and intellectual center of the country and deservedly Poland's most popular destination.

ST. MARY'S BASILICA

St. Mary's Basilica (or St. Mary's Church) is another point of interest right the corner of the Market Square. This dark red, Gothic-style building was erected in the 13th century and later rebuilt a century later. What is interesting about St. Mary's Church is that every hour, from the top tower, a broken trumpet melody is played. Inside the basilica, there is a masterpiece – the world's largest Gothic altar created by German sculptor Veit Stoss. It was carved in the 15th century when Veit Stoss moved from Germany to Cracow. It's 13 meters (42 ft.) high and each individual statue is almost 3 meters (10ft.) tall.

WIELICZKA SALT MINE

The highlight of the festival the final concert – held the Wieliczka Salt Mine, only 14km (8 miles) from Cracow is a UNESCO site that will take your breath away. You will admire many chambers and sculptures carved out of salt.
