CANTATE SAN MARINO, ITALY

From 21st to 24th May 2020

4 Days 3 Nights

The Republic of San Marino, with an area of only 61 km², is situated between the Italian regions of Romagna and Marche, only a few kilometers from the Adriatic sea coast. According to the legend, San Marino was founded in 301 A.D. by Dalmatian stonemason Marino. He came here to hide from the Roman emperor Diocletian in the period of Christian persecution. Since that time this small state has been proud of its **liberty** and in the past being able to constantly defend its **independence**.

The Republic of San Marino is not only one of the smallest states in the world, but it is also **the oldest** state. On July 7, 2008 the Republic of San Marino, thanks to the unique character of its history and institutional heritage, was given an outstanding recognition by **UNESCO's** Committee: the inscription in the prestigious List of World Heritage Sites.

Except for its numerous historical monuments, museums and history, San Marino offers participation in the choral festival "**Cantate San Marino**". During the friendship concerts you will have an opportunity to get to know San Marino's surroundings and the beauty of the Adriatic Sea Coast. Friendship concerts will take place in theatres, concert halls and churches of picturesque towns.

San Marino and neighboring regions present their best side in spring with pleasant summer temperatures and a lack of tourists. The Mediterranean climate, Italian lifestyle and excellent cuisine will allow you to forget all your troubles and will guarantee several calm and relaxing days.

Come and live unforgettable moments in a friendly and international atmosphere without frontiers in the oldest Republic in the world !
