VIENNA

The event Advent in Vienna is an international meeting of choirs from all over Europe and the United States of America in a festive and Christmass atmosphere. Advent concerts take place in different locations in the city of Vienna under the patronage of the **Cultural Department of the City of Vienna**.

More famous composers have lived here than in any other city. In Vienna, music is in the air: Waltzes and operettas feel right at home here. The city holds glorious memories of the Habsburg dynasty, the ancient metropolis of the **Danube**, which may present new faces but always maintains its **tradition, culture, and vitality**, creating a unique blend.

Its unparalleled historical treasures, art, and lively atmosphere make Vienna one of the most popular tourist destinations. Follow in the footsteps of the Habsburg monarchy, visit the splendid baroque palaces of **Schönbrunn** and **Belvedere**, stroll through the **Hofburg**, and traverse the magnificent **Ringstrasse**. **Stephansdom** is the landmark of the city of Vienna and one of Austria's most important Gothic buildings.

At this time of year, when Christmas is already at the door, Vienna shows its human side: music throughout the city, Christmas markets, shops filled with gifts, and an atmosphere of the proverbial kindness of the citizens everywhere.

Pack your bags and get ready to enjoy this enriching experience in the heart of European classical music!
